Milan, December 21<sup>st</sup>, 2016

Dear Madam,

We hereby would like to confirm that JSC Spetzpozengineering has been being our business partner in the area of design and supply of the Automatic Fire Alarm and Gas Concentration Monitoring Systems since 2010.

The detailed design for Automatic Fire Alarm and Gas Concentration Monitoring Systems installed on Gas Treatment Plant of CS Portovaya (2010-2011) and on Gas Treatment Plant of CS Kazachya (2014-2015), were developed by JSC Spetzpozengineering on the state-of-the-art technology level and in due time.

Equipment made by JSC Spetzpozengineering has proved to be of excellent quality, high performance and reliability.

JSC Spetzpozengineering's personnel have demonstrated a high proficiency, promptness, fairness and accuracy in their work.

Based on favorability of mutual cooperation within joint projects and strong business reputation of JSC Spetzpozengineering, SIIRTEC NIGI would like to recommend JSC Spetzpozengineering as a highly reliable business partner.

Sincerely Yours,

Alessandro Lorenzi
